

RELIABLE
AIR AMBULANCE
SERVICE

A NEW DIRECTION IN MEDICAL AIR TRANSPORTATION

SINCE 1989

ANYTIME AT YOUR SERVICE

AIR AMBULANCE AIRCRAFT

With multi-patient transfer (Learjet 45 XRs configured with dual stretchers & Challenger 605 configured with triple stretcher) and long range capabilities, Redstar Aviation offers multiple solutions for medevac needs with her dedicated air ambulance fleet .

MEDICAL EQUIPMENT

All our aircrafts are equipped with state-of-art medical equipment that are compliant with international regulations. Please "Click" to check it out and let us know if you have any questions.

STRATEGIC LOCATION

Thanks to her geographical location, RSA is able to reach 56 countries with a 4 hrs flight time including conflict zones such as Afghanistan, Iraq, Libya, and offer medevac services within Yemen.

2 ICU UNITS

5 SEATS
